*Sunday, July 19th – Intro, Junior, Senior and Master – Gate Entries close 30 min. prior to the judging of each class.*

***Saturday afternoon Earthdog workshops:***

***Intro to Quarry 101 with Amanda Pough -***

Above ground introduction to quarry and rats, introduction to scent trails. For the novice dog.

***Master Field Workshop -***

Scent trails, working with a bracemente, reading your dogs. Is your dog searching or just out for a walk? Small groups will take a walk with their dogs in a natural setting. Scent trails and quarry boxes will allow dogs to investigate, and you to understand what your dog is doing under the tutelage of an experienced terrier man.

*Saturday Dinner on Site will be available. For more information email Marg Pough [mbp1@cornell.edu](mailto:mbp1@cornell.edu) or [www.fingerlakeskennelclub.org](http://www.fingerlakeskennelclub.org)*
